29th June 2018

Discussion of the Week

It has been very hot in school this week. My thanks go to you all for helping your children to be safe in the sun, with hats, suncream and plenty of water to keep us as cool as we can be. PTA's endless supply of ice pops have probably been as well received by staff this week as children! Although the sun is lovely, I have to say I am looking forward to it cooling down a little! We are continuing to welcome in our new intake of children for September. On Wednesday we had our new parents information evening which was well attended.

Snack money

Please can you help us to remind your children that if they have brought money in for the Fair Trade snack shop, this is to be spent on themselves. It has come to our attention that sometimes children are trying to be kind friends and giving their change to others to spend. We are trying to reinforce the message that children have their own money to spend and we can be kind friends in other ways. Thank you for your help with this.

PTA Summer Fair

Final preparations have been taking place for tomorrow's extravaganza! The Lego models have begun to arrive today and I am sure there will be many more on the day. Lots of children have been planning to enter into this competition, so I am sure that we will be wowed by their creations! Please remember to bring your picnic blanket with you. I am reliably informed that, as well as welcoming the Mayor of Hedge End as a special guest, Miss Piggin and Mr Earle will also be visiting. I am very much looking forward to it! I'd like to extend my thanks once again to everyone who has helped in any way with making this event happen. The funds raised by the PTA are invaluable to us in this time of ever dwindling budgets. PTA are totally committed to helping us to continue to improve our school and do our best for the children here.

Staffing update

Next week, Mrs Wilkinson, one of our LSAs who has been working Y4, is going to be leaving us in the middle of next week. She has worked very hard over the years to help our children learn and develop and has secured an exciting role working with vulnerable young adults, where she has a real passion. I thank her for her valuable contribution to Kings Copse and wish her all the best for the future.

Hopefully see lots of you at the summer fair!

Hayley Ferguson

How should the England team stay motivated?

Merits this Week

Bronze – Ellie (Y1)

Sapphire – Preston (Y3)

Diamond – Reece (Y4)

Emerald – Brooke (Y6)
