Friday 17th March

Discussion of the Week

Homework

Last week has been one of my half termly favourites, visiting all classes to look at the children's amazing homework projects! It is fantastic to share in their enthusiasm as they tell me all about what they have achieved and how proud they are of their own and others' work. In Celebration Assembly, children have received all of their merits and there has been many certificates awarded for their well deserved hard work. Children whose homework was exceptional have also received additional 'Homework Hero' certificates which can be stuck into their homework books if they wish. Thank you as always for supporting this process. It is much appreciated.

Y4 Class Assembly

Another great showcase of what the children in Y4 have been learning this half term took place in the hall last Thursday afternoon, with ukuleles, rock and roll moves, fabulous writing, cavemen journeys and fabulous facts about the Stone Age and the Iron Age amongst other treats were performed by the class. Yet again, the hall was packed with a great turn out. It was lovely to see so many of you to share the performance with. We hope you enjoyed it as much as we did! Around the corridors at home time, there were many other rock and roll moves!

Red Nose Day

We would like to enable the children to participate in Red Nose Day on Friday 24th March. Children will be able to come to school dressed in red for a suggested donation of 50p.

The Big Pedal

Beginning on Monday 20th March, for 2 weeks, we will be participating in the Big Pedal, making the most effective use of the Park and Stride at Norman Rodaway as we can. This involves children and families using bicycles or scooters to travel, therefore continuing to reduce traffic and congestion around school. We will collect the data in daily and as a result we will be entered into prize draws to hopefully win rewards for school. This is an important part of our continued focus as we continue to strive to support alternative journeys to school. Bike it Ray will be spending time with us in school awarding children with stickers, visiting classrooms to talk about safe use of bicycles and scooters.

Parent help with reading

Y1 are looking for some helpers to spare some time, no matter how small, to help us support regular reading in class. If you able to help Mrs Hart or Mrs Phillips during the week, please let them know.

Hayley Ferguson

Do you make your own luck?

10 Golden Tickets

Koby, Frankie, Coira - YR

Merits
