Wednesday 5<sup>th</sup> April

Discussion of the Week

It has been a lovely sunny few days, and I certainly feel like the summer is coming! We are anticipating the time when we can get up onto the field every day. Children have been discarding clothes, including jumpers, cardigans and coats. Please ensure items are named so that they can be reunited with their owners! Y2 and Y4 ended our term with a wonderful performance of their Listen to Me work which was shared with a huge audience. Thanks as always for your valuable time.

## Year R Class Assembly

It was wonderful to see so many families come into school to share the children's hard work last Thursday afternoon. For Year R children to perform to such a big audience shows courage, and it was fabulous to see how the children are developing into confident individuals! This assembly brings us to the end of our year group assemblies, and I have enjoyed every one of them, with children doing a fabulous job of sharing with us all what they have been learning in such a confident way.

## Family Fun Day

Sincere thanks to the PTA and all of the other helpers who organised such a fabulous event last Saturday. It was really well attended by children, families and some members of extended families and the atmosphere was great. The PTA do such a great job of raising money for the children at our school and if you are able to offer any time at all (no matter how small) to support this amazing bunch, please contact the office and we will put you in touch.

The Easter Bunny has visited everyone in school this afternoon with a gift from the PTA. This obviously caused a lot of excitement!

## Thank you, goodbye and good luck to Miss Piggin

After a happy (tinged with sadness) assembly today, we say a huge thank you to Miss Piggin for all her commitment, hard work, passion and care for the children and families of Kings Copse past and present. She will be much missed. Children and staff presented cards and presents to her during what we hope was a memorable last Celebration Assembly for her.

## Message from Miss Piggin

I feel immensely privileged to have taught such wonderful, enthusiastic, caring children during my years at Kings Copse, who have taught me so much! I am eternally grateful for all the support and encouragement shown to me by everyone involved with the school. Thank you for all of your kind words, wishes and thanks also for the generous gifts. I'm very sad to be leaving, however I have many treasured memories that I'll be taking with me.

## Happy Easter everyone!

Please have a safe and restful break and we look forward to welcoming everyone back refreshed and prepared for the Summer Term on Monday 24<sup>th</sup> April. Y6 children have been issued with optional homework packs to keep their brains ticking over the holidays. There are only two weeks back (including a Bank Holiday) where we will continue our revision programme enabling children to be fully prepared for the test week (beginning on 8<sup>th</sup> May).
