

Sports Premium at Kings Copse (April 2014 – April 2016)

Purpose of the grant

Funding must be used to fund improvements to the provision of PE and sport for the benefit of primary-aged pupils in the academic year 2014/15 so that they develop healthy lifestyles.

Basis of allocation

Allocations for the academic year 2014/15 are calculated using the number of pupils in Years 1 to 6, and those age 5 in Year R, as recorded on January 2013 Census, as follows:

- Schools with 17 or more eligible pupils receive £8,000 plus £5 per eligible pupil; and
- Schools with 16 or fewer eligible pupils receive £500 per eligible pupil

Therefore, Kings Copse has received **£7,165** in this round of funding.

Sports Premium Allocation and Impact, 2014 – 2015

Sports Premium used for:	Amount allocated to the intervention / action (£)	Brief summary of the intervention or action, including details of year groups and pupils involved, and the timescale	Specific intended outcomes: how will this intervention or action improve the provision and PE and sport? What will it achieve if successful?	Actual impact: What did the action or activity actually achieve? Be specific: 'As a result of this action...' If you plan to repeat this activity, what would you change to improve it next time?								
Extend swimming lessons to a greater number of children.	£3300	Swimming lessons have been offered to both Year Five and Year Four so children will receive two blocks of swimming sessions throughout their time at Kings Copse.	Children will have increased access to swimming lessons, and will have become more confident swimmers when they leave Kings Copse.	As a result of this action, children have learnt an important life skill and have had the opportunity to develop their own swimming techniques to a higher level. They have also acquired vital water safety knowledge. This is an important use of the Sports Premium which should continue into 2015. Provide release time for PE subject leader to monitor and support colleagues.	£1000	Subject leader has had time to scrutinise planning, observe lessons and review PE teaching in Kings Copse.	Teaching of PE should improve as support can be offered and planning and teaching can be revised.	The Subject Leadership day in Autumn 2014 allowed planning samples to be collected and scrutinised. A review of teachers' knowledge was also undertaken which will be used to inform spending in 2015. The next day should be spent observing teaching and learning in KS2.
A <i>Creative Play</i> Trim Trail to be installed.	£7654	A trim trail including the following apparatus has been built on a section of the field often unused: <ul style="list-style-type: none"> - Parallel bars, - Stilts, - Stepping logs, - Hurdles, - Vertical twisted net, - Chin up bars, - Scramble net, - Net tunnel, - Log bridge, - Gripped rope walk, - Spider net. 	Increased access for KS2 children on adventurous activity equipment during break and lunch times. The trim trail will also be used during PE sessions to offer a variety of outdoor activities and exercise.	<i>Waiting for completion of flooring before trim trail can be accessed by children.</i>

Provide release time for PE subject leader to monitor and support colleagues.	£1000	Subject leader has had time to scrutinise planning, observe lessons and review PE teaching in Kings Copse.	Teaching of PE should improve as support can be offered and planning and teaching can be revised.	<i>The Subject Leadership day in Spring 2015 will be used to observe teaching and learning in KS2.</i>
Provide gym training for staff.	£1000	Whole school staff training from a trained PE coach in order to improve pedagogy and practice of all teachers.	Gym was highlighted as an area in which most staff would like training, so CPD should help increase confidence and subject knowledge when teaching. This will impact the teaching of gym across the school and improve the gymnastic skills of children.	<i>CPD due to take place in Summer 2015.</i>
Coach from the Ageas Bowl to coach cricket PE sessions and an after-school club.	£792 <i>(calculated based on 6 weeks)</i>	A trained cricket coach from Hampshire in the Community at the Ageas Bowl will teach two PE lessons a week and an afterschool club. The coach will teach the children whilst offering CPD for staff. The coaching will impact KS2 children.	Children will receive high quality coaching in cricket, and have access to a variety of competitions. Training offered to staff during lessons will improve the teaching of cricket in the school. This will filter to other teachers across the school as Subject Leader shares pedagogy to improve practice.	<i>Cricket sessions to take place in Summer 2015.</i>
