Discussion of the Week

We were all really disappointed to have to postpone Sports Day this week after the children have been looking forward to the day and putting in lots of practise and preparation ready for the event. Sincere apologies if the postponement now means you are not able to come. The forecast for next week is on the whole looking better than it has been this week, so we continue to cross our fingers for a day that is warm and dry so that it is both safe and enjoyable for the children to take part.

### Being prepared for all weathers!

It is really difficult to know how to dress in these typically British weather conditions! The weather has been, and continues to be, very changeable. As always, we try to get the children outside as much as possible. There have been many days recently where it has been dry in the morning and has rained for playtime/lunchtime. Please continue to send your child to school with a coat so that they can go out when it is wet. It is just as likely to be warm and sunny too, so having a hat and sun cream at the ready is also useful. Please remember that we cannot apply sun screen for your child so it is helpful for them to be able to do this independently. A plea also please that you check all items (including the sunhats!) are labelled. At this time of term, names in clothing are beginning to wear off and it is very difficult to reunite them with their owners! 😊

### Year 5 and 6 Theme Park Project

Next Monday (17<sup>th</sup> June), parents are invited to the grand event which is the sharing of their work within this topic.

### School Photographs

Next Thursday (20<sup>th</sup>), Tempest/Snappers, who have become one company, are scheduled to come and take class photographs.

### Upcoming events

School life is always busy, but the last few weeks are particularly so, with Sports Day, reports, Key Stage 2 performance, Shuffle Up morning, Y6 transition to secondary, new YR transition events and home visits, PTA Summer Fayre, Listen 2 Me concert, going on amongst others. We will endeavour to do our best to keep you up to date as much as possible. As always, if there is something you don't know about, please ask!

### British Values Day

On Monday 24<sup>th</sup> June, children will take part in a range of different activities mixed up as house teams to build on their understanding of the British Values. Please watch out for a letter with more details about this.

**Sapphire** – Sophia (Y3)

**Well done!**

### Sewing Help Needed in Year 1

Over the next few weeks Year 1 will be making cushions as part of our 'Wild Things' topic. We would love to have some help from any adults who would be willing to sit with a few children at a time and help sew. You do not need to be amazing at sewing – just know how to thread a needle and help untie tangles! If you are able to help at anytime please see the office or let Mrs Hart or Mrs Phillips know. Thursday afternoons are ideal but we would welcome help at other times too! Thank you Mrs Hart – Year 1
