Friday 26th April

Discussion of the Week

I hope you all had a well deserved and restful break over the Easter holidays. Children have come back with a brilliant attitude – very focused on expectations around school, in assemblies and in class. They have also settled in to new topics and back into hard work very quickly! Well done! The first Y3 and Y5 swimming sessions have been enjoyed and gone well.

Learning Values Champions (Spring Term)

On Tuesday, we started the new term by celebrating the winners of the Collaboration and Independence Learning Values Champions. Badges and certificates were awarded to the worthy winners. Teaching staff shared their pride of why these recipients had been chosen. All of the winners, as well as all of the other children in school, were very proud too! This term we will be focusing on motivation and curiosity.

Spelling Workshop

Coming up will be a spelling workshop for all parents. It will begin in the hall all together led by Miss Halton who is our English leader. She will share with you some key spelling messages, including how to log in to a new programme we are using called Spelling Shed. Afterwards, you will be able to go and join your child in class for a spelling session. Feel free to move between classes if you have more than one place to be! A letter giving full details is being sent today.

Upcoming warm weather (hopefully!)

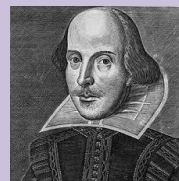

I would like to take this opportunity to remind you that we try to keep children outside as much as possible and it can be really tricky to prepare for changing weather at this time of the year! Please make sure that children have coats in school – we have been caught out with some school day showers this week. Also, when sending children in prepared with hats and suncream, please make sure everything is named so that we can reunite children with lost items.

Have a restful weekend!

Hayley Ferguson

Why is it important to not give up?

Famous Birthday of the week

William Shakespeare
