Friday 30th November

Discussion of the Week

It has been a very busy week again, as we start the build up to the Nativity performances and the Key Stage 2 Carol Service at the Church. Children and staff are continuing to work hard to remain consistent with our approach to learning, although some English topics have started to develop a festive theme! This will continue up to the end of the term. I am already being treated to the wonders of the songs in YR, 1 and 2, along with carols in KS2. I really hope you will be able to join us for some of these events.

Parent Forum feedback

Thank you to the parents who were able to come in on Wednesday afternoon. Mrs. Warland was also in attendance, feeding back how we are making changes to our curriculum so that it meets the needs of ensuring all of our children become thoughtful, caring members of our community when they leave Kings Copse, prepared for modern Britain. Children, parents, staff and governors have been involved in this process and we will continue to feedback how this is going. All children in Y1 – 6 will have experienced a 'child-led' project over the next few weeks and we will use their feedback from this process to continue to improve. Parent Forum also discussed Parents Evening arrangements and target sheets, how the INSET days worked for families and the ongoing building work. Please note there is a blog post with recent pictures documenting the recent developments.

PTA

The Christmas Fayre looks to be a fantastic event. PTA members have been very busy behind the scenes today (and for some time) in order to plan and organise this event. We are very grateful to all of them who support our school in whatever capacity they are able to. We are also grateful to all of you who support the events through your attendance. This helps to raise invaluable funds for our school. Please come along if you can!

Christmas Arrangements

We are rapidly approaching one of our busiest times of the year. We try very hard to ensure that we communicate as clearly as we can what is going on and when. Please keep up to date using the online calendar link found on the website. I know this is a busy time of year for everyone, but please do not hesitate to ask if you are not sure about something and we will do our best to help.

Christmas Post Box

Our Christmas Post Box is now open for children to send Christmas cards to children (and adults if they wish) in school. Please can you encourage them to write the name and class of the recipient on the envelope so that they can be delivered to the right places!

Have a great weekend!

Hayley Ferguson

Who decides the consequences for breaking the rules?

Merits

Silver – Max C (Y2)

Gold – Indie (Y2)

Ruby – Tyler (Y3), Toby (Y6) & Dallas (Y4)

Sapphire – Zainuddin (Y3)
